Method and purpose of the processing:

Your data will only be used to send you the subscribed newsletter by e-mail. The provision of your name is voluntary and is made in order to address you personally in the newsletter and, if necessary, to identify you if you wish to make use of your rights as a person affected.

To receive the newsletter, it is sufficient to provide your e-mail address. If you register to receive our newsletter, the data you provide will be used exclusively for this purpose. Subscribers can also be informed by e-mail about circumstances relevant to the service or registration (e.g. changes to the newsletter offer or technical conditions).
